

My Paper Airplane Adventure

Name: _____ Date: _____

Draw Your Airplane

Test Your Airplane

Throw your airplane three times and write how far it went (in steps or feet) and how hard you threw it (hard, medium, or soft):

Throw #	Distance	Throw Strength
1		
2		
3		

What Did You Learn?

My airplane flew FARTHER when I threw it harder / softer (circle one)

Write or draw one thing you learned about how airplanes fly:
